Community History on the go!

The Grove History App!

Check out our mobile App. It can be downloaded free from iTunes or Google Play App stores.

It has neat stories about the history of your area and a few real life interviews with people who lived here in the early days!

Photographs and Research:

The photograph collection can be viewed at our website:

Look for 'Search Images'

There is a lot more there too—check out the Community History section to get links to other websites and information.

Download the free APP today or pop into the library and borrow a tour guide.

Ancestry – Library Edition

Come into the library and discover your ancestors and take a journey into your past, from any of our computers.

We also provide:

Research services

- Shake the Tree**—family history training
- Scan the Clan**—digitize your photos!
