PERSONAL ARCHIVES WORKSHOP

Preserving & capturing community memory

The Grove Community History Library will be offering a workshop designed to deliver the basics of archiving for families and community groups.

Topics include: scanning, accessioning, describing collections and capturing memories together with examples of what is possible once the archive is digitised.

Sessions will be free for residents and community groups in Cottesloe, Peppermint Grove and Mosman Park.

Please email history@thegrovelibrary.com and mention PAW as a reference if you or your group are interested.
