

Did You Ever See My Life In Mosman Park Recipe

**To make Mosman Park you will need to follow
these simple steps**

Pour an ounce of beach water,

A sprinkle of sand,

A handful of beautiful songs from a bird,

A bucket of brilliant books

And mix well,

Add a lot of laughter from kids,

With a very, very small splash of work,

Mix with a blender for three minutes,

Add the welcome of pets,

The hugs from families

And the fun of games.
